

SwiftReach Script for Meter Roll Out

Hello,

This is the Borough of Ephrata Electric Division. We will be replacing electric meters in your area next week. The installer will have Borough identification and will knock on your door prior to replacing your meter. However, you do not have to be home for the meter replacement to occur.

If we are unable to change your meter, you will receive another notification when we are back in your area.

If you have any questions, please call customer service at 717-738-9222.
