Who We Are

We believe the Ephrata Police Department is one of the finest law enforcement agencies in the Country. The Ephrata Police Department has been awarded numerous federal and state grants that have created programs now considered to be benchmarks in law enforcement technological and programmatic advancement. Other grants have funded our very popular Bike Patrol, Forensic Unit, Traffic Enforcement and Community Outreach Program. In addition, the Department is actively involved in the community with such projects as "Cops for Tots" that provides Christmas toys for underprivileged children.

The men and women of the Ephrata Police Department are steeped in the tradition of providing quality service to the citizens of Ephrata. It is our honor to dedicate our energies to making this the location of choice to live, work, raise a family and visit.
