

Effective October 1, 2024, residents of the Borough of Ephrata will automatically become refuse and recycling customers of the Borough under a new single-hauler contract awarded to Good's Disposal, Inc. The key details are:

- **Refuse and recycling services** will now be provided exclusively by Good's Disposal, Inc.
- **Billing:** Starting in October, your monthly Borough account statement will include:
  - \$24.75 for refuse collection
  - \$13.50 for recycling collection
- **No opt-out option:** All residents are required to use the Borough's service. Opting out is not permitted.
- **Other haulers:** As of October 1, 2024, other haulers will no longer be able to collect within the Borough limits. If you have any concerns or continue to receive bills from previous haulers, please contact them directly to resolve the issue.

## Refuse and Recycling Collection Information

- **Curbside Placement:** Refuse and recycling should be placed curbside the evening before your scheduled collection day.
- **Non-Curbside Pickup:** If you require an alternative pickup location due to medical reasons, you can request it by submitting a "Non-Curbside Garbage and Recycling Collection Application."
- **Application Availability:** Applications for non-curbside pickup are available by contacting the Borough's Business Office.
- **Limits:** Four (4) 32-gallon bags or cans which equal no more than a total of 90 pounds.

## Note to Current Good's Disposal Customers

### Beginning October 1st ...

- Refuse and recycling will now be collected on the same day.
- You will no longer receive a bill from Good's Disposal, Inc.
- If you still receive a bill from them, you should contact Good's directly.
- You can continue using the Good's toter if you have one, but it is not mandatory.

## Note to Current "Other Hauler" Customers

### Beginning October 1st ...

- Other haulers are no longer permitted to operate within Borough limits.
- Although haulers have been notified of this change, residents are advised to contact their current hauler to confirm that their service is canceled.
- If you continue to receive a bill after this date, you should contact the hauler directly to resolve the issue.
